**Address: 366 Bach Dang street,  
Tran Hung Dao ward, Quy Nhon,  
Binh Dinh province, Vietnam**

# ABOUT US

Being Established in 2005, Binh Nam Group has sharply developed to become a leading company in the central coastal region of Vietnam in terms of forest planting and exploitation. Until now, Binh Nam Group has built a sustainable raw material area, which is the strategic development goal of the company. To meet the demand for wood and compressed wood products in the market, in 2016, Binh Nam Group established a production complex with an area of 16.62 hectares and nearly 1000 employees, including two main workshops, a wood processing plant, and a wood pellet-producing plant. According to the success of the complex and timely response to the strong demand of the world market for compressed wood products, Binh Nam Group has invested in a large-scale system of factories spread across the raw material area, including:

- ❖ BÌNH NAM PHÚ YÊN PHÁT
- ❖ BÌNH NAM THẢO NGUYÊN XANH
- ❖ BÌNH NAM BẢO LONG
- ❖ BÌNH NAM ĐÔNG NAM

With a network of partner relationships around the country, Binh Nam Group is looking for sustainable long-term partnerships.

# Vision

By 2030, Binh Nam Group aims to become a green energy production conglomerate, renewing products from the forest and becoming the most reliable business partner for customers

# PRODUCT QUALITY

Recognizing that quality and reputation are key factors in customer satisfaction and success, Binh Nam Group places great importance on ensuring the quality of its products and timely delivery, aiming to become one of the top 5 large wood pellet exporting companies in Vietnam. To date, Binh Nam Group has established a sustainable raw material area with tens of thousands of hectares of forests to provide input materials for satellite factories, which is a strategic development goal of the company.

- International standards
- Product standards: SGS, Intertek.

## **PROFESSIONALISM & INNOVATION**

The operation of Binh Nam Group is run by a team of professional personnel with skillful experience in all departments.

The collective efforts of Binh Nam Group seek to develop, innovate, and improve production lines, modern machinery, and enhance product quality as well as renew the ability to supply goods.

# The FSC Forest Scale

The forest land area of about 5257 hectares in Phu Yen is being exploited and replanted annually in Phu Yen.

+ Among them: 2969.19 hectares of land leased by People's Committee of Phu Yen Province for Binh Nam Company with a term of (2009-2059).

+ 2288.133 hectares of land signed by Binh Nam Company for leasehold land use rights agreements with units and individuals (2013-2063 & 2015-2065). Binh Nam Company has paid for the land use value and is entitled to planting, caring, protecting, and exploiting according to the certificate of land use rights.

Binh Nam Group always takes the in expanding cultivation and planting forests in parallel with the development of factories to maintain a sustainable source of materials, in line with forestry policies and people's policies."
